ROOFING

We have a highly experienced and licensed Roof Plumber now on board full time with the Little Jobs Group team, enabling us to provide complete care for your tin or tiled roof.

This includes complete house re-roofs, gutter and downpipe replacements.

We also offer services to re-bed and re-point all tiled ridge caps.

We're happy to help out with a Roof Health Check.

OUR TEAM OF PICASSO'S

We've set up a dedicated Little Jobs Group Painting division to manage all medium to large, whole of house internal and external painting jobs. This is on top of our guys who take care of all the patch and paint work for you already.

The attention to detail our guys provide will ensure your rental property is left looking brand new.

It might be a good time to consider some protective painting work on the outside of your rentals while the sun is still shining!

BERNIE - OFFICE SUPERSTAR BY DAY, ROCKSTAR BY NIGHT!

We know you've all missed Bernie, so wanted to take the opportunity to welcome her back from maternity leave. She's now managing life with a 1 year old as well as making sure we're all organised and kept on our toes, but did you know, on the weekends you might catch her belting out a few of your favourite lyrics as a professional weddings & event singer. Balancing 2 days with Little Jobs Groups and wrestling an active 1 year old on her 'off days', Bernie's excited to play a key role in growing the family, SA run business and is always keen for a chat over the phone or email to assist you where she can!
