

UPDATES

WE'VE BEEN GROWING

Hopefully you may have noticed some changes we've been making over the last 9 months. We've been tidying up our systems and processes and growing our Little Jobs Group team to take on more Tradespeople/Property Maintenance guys as well as upscaling our administrative team.

Our Property Maintenance team is now being divided into a North and South team, and we've now set up our administrative team to include a hardworking group of 6 who will be responsible for scheduling work, project management and accounts.

We still have one primary point of contact for you being admin@littlejobsgroup.com.au but in your communications with us you might come across either Michael, Rocco, Ayden, Daniel, Amy or Diep!

Over the coming weeks we hope to be able to pop in to see you just to quickly introduce ourselves to you and say thankyou for all the work you've given us so far.

NEW WEBSITE

We've just launched our brand new website!

www.littlejobsgroup.com.au

If you have some time, go visit our new site.

FIND US ON SOCIAL MEDIA

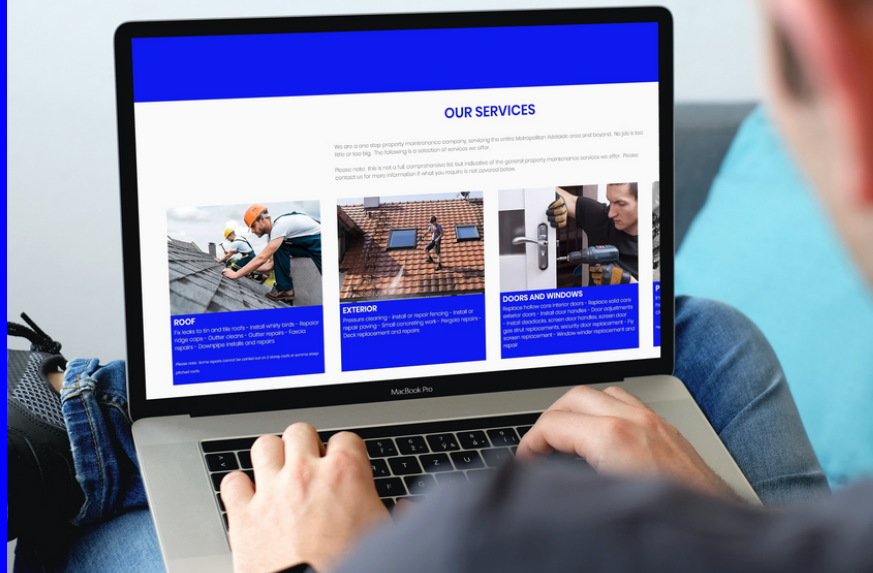

You can also now find us on our social media handles:

LITTLEJOBSGROUP

LITTLEJOBSGROUP

PRE / POST TENANT / SALE MAKE READY

If you've got a rental property that's in between tenants and you need to freshen it up before a new tenant occupies or your landlord has decided to list their investment for sale, talk to us about our complete pre/post tenant or sale make ready package which includes painting, flooring, blinds, re-silicone to wet areas, garden clean up, gutter and fascia repairs, lighting, doors and cabinetry checks and a whole lot more!

GARDENING AND LANDSCAPING MAINTENANCE

We now have a fully dedicated team for gardening and landscaping maintenance work, so if your landlord is interested in a regular maintenance schedule or you have a rental property needing some garden clean up and maintenance give us a call.

We've also recently acquired our Plumbing, Electrical Gas Fitters Licence so watch this space for more updates soon!
